Food Assistance Programs for Seniors

The aging process can make it harder to follow a healthy diet. Some seniors may have health issues that keep them from grocery shopping and preparing meals, while others may struggle to pay for groceries on a fixed income. Seniors who need help eating a nutritious, balanced diet can turn to Meals on Wheels, food pantries and government assistance programs.

Meals on Wheels

Meals on Wheels delivers nutritious meals to homebound seniors who aren't able to prepare their own meals. Local Meals on Wheels chapters in West Virginia deliver daily hot or cold meals to seniors in their service areas.
